If there is a fire

1. In a fire, leave at once and do not stop for belongings. [UAEEMERG]
2. Do not use the lift, and close doors behind you if you can. [UAEEMERG]
3. If smoke blocks the way, stay low under it or use the second exit. [RCFIRE]
4. Once outside, go to the meeting place, then call for help. Stay out. [RCFIRE]

For a medical emergency, call 998 for an ambulance. [UAEEMERG]
